Sir,

May I bring the following facts for kind and favourable consideration of Municipal Council?

1 This High School was started to meet a very pressing need at a time when the local High Schools were so overcrowded that they could not satisfy the growing demand for additional seats in the several classes specially the first year class

2 In starting the High School, the Management had to shoulder a heavy responsibility and incur enormous initial and recurring cost for the proper maintenance of the school

3 Inspite of several difficulties the Management has been able to carry on the administration of the school efficiently and satisfactorily so that the institution is growing in numbers and popularity year after year

4 So far no Government grant has been sanctioned towards furniture and equipment so that the Management has not been able to effect improvement in this direction to a desirable extent This is felt to be a great hardship

5 For the kind information of the Council I have given below the actual strength of the school as on 23-7-48

	A Section	B Section	C Section	
I Year	60	61	66	= 187
II Year	60	60	65	= 185
III Year	59	71	67	= 197
				<u>Sum 569</u>

There are 13 graduate teachers, 4 pandits for Hindi,

7)

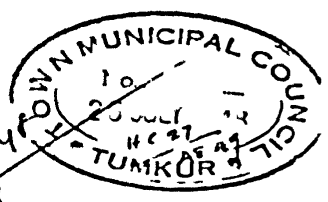

and fit and furnished there are 3 persons on the clerical staff and 5 servants. On an average the establishment at Ch. R. Co. for month cost Rs. 1521/-

It is needless for me to state that the value of furniture has gone up very high for daily use in the classes and for examination purposes we require at least a sum of Rs. 5000/- The management finds it extremely hard to invest any further amount

In these circumstances I request, on behalf of the management that the municipal council may be pleased to grant a sum of Rs. 5000/- towards the cost of furniture and other equipment

Yours faithfully,

Sir,

I wish to bring the following facts for your kind and sympathetic consideration -

1 This High School was started at a time when there was great difficulty ~~of~~ getting sufficient accommodation in the Government High School

2 That this institution was managed by the donor Sri T K Siddhararasiah for only one year after it was started and the next year the School building with its moveables and a vast area of land have been gifted away under a registered gift deed to a committee of management who are managing the institution at present

3 That in the face of heavy odds and great difficulties, the committee is just able to manage the institution thus satisfying the growing needs of the High School going children

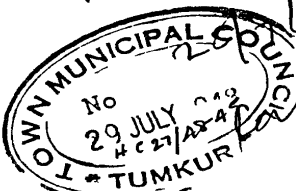

4 That except what the donor has given by way of equipment and furniture, there is no grant by the Government in this direction to improve the same

5 That under great hardship and handicap the School is working through efficiently

6 That there are 310 students in all in the institution to-day and there are 9 graduate teachers, 2 pundits, one clerk and 3 servants whose emoluments etc, come up to

Rs 875/- per month

7 Therefore, I request you to kindly place this before the Municipal Council for their kind consideration I request the Council to be pleased to grant Rs 5,000/- towards the cost of furniture and other equipment
